

# Easter in Cologne

6 – 9 April

*With over 2000 years of history to its name, Cologne is one of Germany's oldest cities. Its rich past is seen in its many points of interest, including the Roman Tower, which gives an impression of the fortifications previously built around the city; the magnificent and imposing Gothic Cathedral, now a world heritage site, which dominates the old city centre; and the more modern Opera House and Theatre.*

**FRIDAY 6 APRIL** Depart early morning for the ferry to Calais and on through Northern France and Belgium into Germany to Cologne, our home for the next three nights.

**SATURDAY 7 APRIL** Today we are at leisure to explore this delightful city on the banks of the Rhine. The city's Rheingarten Park and old quarter are firm favourites with locals and tourists alike, a great place to enjoy a stroll and stop off at one of the traditional breweries. Visit the famous Chocolate Museum where you can learn about the history of chocolate and perhaps buy a few samples. Explore the pedestrian shopping centre in the heart of the city or,

alternatively, a boat cruise along the River Rhine is a wonderful and relaxing way in which to fully appreciate the magnificence of the city. You can even take a ride on the cable car which crosses the Rhine offering a fantastic birds-eye view of the city.

**SUNDAY 8 APRIL** Today we follow the River Rhine to Koblenz, situated at the confluence of the Rivers Rhine and Moselle. The riverside walks unfold the old town with its twin-towered churches, Liebfrauenkirche and Romanesque St. Kastor. Here we shall have time to explore and find lunch before taking an early afternoon river trip down the Rhine, past the Lorelei Rock to St Goar, where the coach will meet us for the journey back to Cologne.

**MONDAY 9 APRIL** Departing after breakfast we make our way to Dinant in Belgium where we shall have time to find lunch before continuing on to Calais. Arriving back in Oxted late evening.
