

For your convenience, we have included the table below to enable you to work out your pick up time. The pick up time, as always, will be on your ticket. To work out your pick up time, take the brochure time (which is always the coach yard time), and add/subtract the number of minutes indicated in the table for the relevant route. Also indicated are the coach transfer points (#) and the scheduled last pick up point (*).

		Route A	Route B	Route C
